

User Testing Survey

Thank you so much for helping to test my comps! Please answer all questions to the best of your ability and let Joaquín know if you have any questions!

DISCLAIMER:

Since this is early testing of the exhibit, there may be images or colors that flash or move quickly. If you believe quick color changes and or flashing imagery may impact your ability to complete this testing, please let the researcher know. You may leave this survey and the testing of the exhibit at any time.

Test the
installation!

The following installation entitled "Computational Queries" seeks to offer users a chance to explore the limits of the installation, discover functionalities, and expand their curiosity. During the following testing, you will be asked to narrate your thoughts and feelings as a "stream of consciousness" during your interactions with the exhibit.

STOP - please do not move further in this survey
